B.S. Accounting, UW-La Crosse
I have been working as a financial analyst at St. Norbert College for 15 years. Before that I worked in various financial and technical capacities at both UW-Green Bay and NWTC. I have extensive experience in analysis and objective evaluation of data. On teams and work groups, I am respectful and reliable and have a successful record of working with diverse groups of people.

I'm considering semi-retiring in a couple of years (maybe sooner ) and serving on the Board of Review could be an opportunity to ease into new circumstances while giving back to my community.
