Re: Committee Members for WisDOT Riverside Drive Project
Date: August 1, 2013

Attached is a draft list of potential committee members for the two committees requested by Wis DOT for the Riverside Drive project. Tracy and I have assembled this draft list.

Please review and modify as you feel appropriate for the committee lists.

It is recommended that residents be added to the list to increase the general public involvement.

After review by the board, a letter of interest will be sent to each asking them to participate.
