Re: Discussion on Sex Offender Ordinance

Date: November 13, 2013

Attached is a letter from Ray Salter in regard to the village's current sex offender ordinance. Mr. Salter is the gentleman who attended our last meeting and brought up this issue under public comment.

He would like the Village to consider allowing two sex offenders per dwelling unit or have a system – (committee) that would allow for exception under certain circumstances. I have attached a copy of our ordinance which was approved in 2008.

Upon discussion with the Village Attorney he does not recommend we put any type of sex offender board in place, it is an expensive process and does not function very well. I have also asked our DEO to provide his thoughts on the current ordinance and any suggestions he has.

This is a discussion item only, although the board is asked to provide some guidance to staff.

Dear Tracy Flucke. (Administrator for the Village of Alhambra)

I am writing this letter asking that you put on your agenda for the next board meeting my request to have the ordinance about limiting sex offenders to only one per dwelling to be changed to allowing two per dwelling or to have a system in place that's allows for an exception under certain circumstances to allow more than one.

Sincerely
