

RESOLUTION 2013-15

URBAN WILDLIFE DAMAGE ABATEMENT AND CONTROL (UWDAC) GRANT

A Resolution authorizing the submittal of a state grant application and subsequent appropriation of Village funds for Urban Wildlife Damage Abatement and Control.

WHEREAS, the Village Board desires to control urban wildlife populations of white-tailed deer and Turkey to abate wildlife damage and apply for state aids to do the following project; and

WHEREAS, the Village Board shall comply with all financial record keeping and disclosure requirements and other requirements of s. 29.887 Stats., and s. NR 50.23 Wis. Adm. Code, pertaining to urban wildlife damage abatement and control if state aid is obtained for urban wildlife damage abatement and control; and

NOW THEREFORE, BE IT RESOLVED that the Village Board authorizes the Park and Recreation Director as Authorized Representative to submit a state grant application to the Wisconsin Department of Natural Resources (DNR) for the urban wildlife damage abatement and control project identified above; and

BE IT FURTHER RESOLVED that the Village Board does hereby appropriate a matching allocation for such project and such appropriations shall continue as long as state matching aids are available, or until this resolution is modified by this Board; and

BE IT FURTHER RESOLVED that the Village of Allouez Parks Department is hereby authorized to expend the funds hereby appropriated and the funds to be received from the State of Wisconsin for the urban wildlife damage abatement and control project identified above; and

BE IT FURTHER RESOLVED that the Village of Allouez Parks Department shall maintain appropriate records to document all expenditures made during and for the urban wildlife damage abatement and control project identified above and shall submit to the DNR a final report summarizing expenditures and describing objectives, activities, achievements and problems in accomplishing the project identified above. The Village Board hereby grants DNR employees access to inspect all planned operations proposed in the plan; and

BE IT FURTHER RESOLVED that if the state aid was for completing an urban wildlife damage abatement and control plan, such a plan shall be completed within one (1) year of the grant contract being signed, and if the state aid was for implementing control projects identified in a urban wildlife damage abatement and control plan, such control work shall be completed within two (2) years of the grant contract being signed; and

PASSED AND APPROVED by the VILLAGE BOARD of the VILLAGE OF ALLOUEZ this 5th day of November, 2013.
