Re: Intensive Survey Presentation by Barb Kopperud

Date: 21 April 2014

The Historic Preservation Committee received a grant-in-aid to conduct the Architectural and Historical Intensive Survey. The Village was able to use the grant money to hire an architectural and historic preservation consulting firm to assist the committee in identifying structures, buildings, complexes, and districts of architectural or historical significance that are potentially eligible for listing in the National Register of Historic Places.

Barb Kopperud, the Historic Preservation Committee Chair, will present the Intensive Survey in further detail to the Plan Commission.
