<input type="checkbox"/> NEW MOBILE TOWER.....	\$2,000
<input type="checkbox"/> CLASS 1 CO-LOCATION (Modification).....	\$500
<input type="checkbox"/> CLASS 2 CO-LOCATION.....	\$500

Supplemental Information:

The following additional project information shall be submitted as part of the application if requesting a permit for a Class 1 Co-location or a New Mobile Tower. If requesting a permit for a Class 2 Co-location, no additional project information is required for review.

Class 1 Co-location:

- A construction plan which describes the proposed modifications to an existing support structure and the equipment and network components, including antennas, transmitters, receivers, base stations, power supplies, cabling, and related equipment associated with the proposed modifications.

New Mobile Tower:

- A construction plan which describes the proposed mobile service support structure and the equipment and network components, including antennas, transmitters, receivers, base stations, power supplies, cabling, and related equipment to be placed on or around the new mobile service support structure.
- An explanation as to why the applicant chose the proposed location and why the applicant did not choose co-location, including a sworn statement from an individual who has responsibility over the placement of the mobile service support structure attesting that co-location within the applicant's search ring would not result in the same mobile service functionality, coverage, and capacity; is technically infeasible; or is economically burdensome to the mobile service provider.

Conditions:

I understand that I am responsible for complying with State and Federal laws concerning construction near or on wetlands, lakes, and streams. All structures and antennas shall meet or exceed applicable current standards and regulations of the Federal Aviation Administration, the Federal Communications Commission, the Electronic Industries Association, and any other agency or body of the federal government or of this state. Failure to comply may result in removal or modification of construction that violates the law and/or other penalties or costs.

In the event this application is approved by the Village of Allouez, I agree:

- That my signature is not required on the Village of Allouez Zoning Permit,
- That no work shall commence until I have received the issued Zoning Permit,
- That all work shall be done in accordance with the requirements of the Village of Allouez Zoning Permit, the Village of Allouez Building Code, all other applicable Village Ordinances, and the laws and regulations of the State of Wisconsin and the United States,
- That Village officials charged with administering Village ordinances or other authorized person shall be permitted access to the above described property at any reasonable time for the purpose of inspection.

I the undersigned do hereby apply for a Zoning Permit and acknowledge that this application and all accompanying documents are correct and complete to the best of my knowledge.
