Re: Certified Survey Map for 414 Lazarre Ave

Date: February 17, 2014

Attached is the certified survey map for subdividing the lot at 414 Lazarre Ave. The owner wants to subdivide the lot into two.

The owner has submitted the CSM to the County for their review and approval also. Upon review of the CSM the Building Inspector has noted that the proposed lot sizes do meet the minimum requirements of the zoning code.

Plan Commission is asked to approve the CSM for 414 Lazarre Ave.
