

Memo

To: Plan Commission

Fr: Tracy Flucke, Administrator

Re: Discussion on schedule of events

Date: February 17, 2014

This item was placed on the agenda at our last meeting. I am not positive what this item involves, but believe it has to do with the development of a schedule of all village meetings for a given year.

I believe Plan Commission member Roger Retzoff asked for this to be placed on the agenda.

Discussion item only.
