In 2013 several larger/more serious incidents come to mind:

**May 23-Hilltop Place Apartment fire:**

This call definitely stretched resources from all agencies (Fire/Police/Village Shops) involved. I believe overall the response was well coordinated and was handled very well.

**June 28-3645 Libal Street Burglary:**

In this incident a resident confronted two males that he observed enter his garage at about 3:45 A.M. A physical altercation took place in which the resident received a substantial wound to his head that required medical attention. The two suspects fled the garage and the resident called police. Every Brown County Squad on duty responded to the area and were assisted by the Bellevue car, Green Bay Police and DePere Police in setting up a perimeter and searching the area. The suspects were not immediately located. The victim was able to provide a description of the suspects. Dispatch had received another call from a resident reporting two males matching the suspect's description on bicycles going towards the East River Trail on LeBrun Rd. Several hours later Deputies located and arrested the suspects on the East River trail in Ledgeview. Brown County Sheriff's Office Investigators also assisted in the case and the suspects have been linked to numerous thefts and burglaries in the area.

**October 19-Green Isle Park Damage:**

On October 19 at about 12:15 A.M. Deputy Olmsted located two vehicles at Green Isle Park. After questioning, the drivers admitted that they had been driving on the baseball fields at Green Isle Park and Riverview Park. The drivers of the vehicles were cited for criminal damage to property and violating park hours. Two others that were passengers of the vehicles were also cited for being in the park after hours. Brad Lange later estimated the damage to the baseball fields to cost over \$4,000 to repair. The drivers in the case have been paying restitution for the damage.

**December 22-Webster Shell Gas Station Robbery:**

On December 22 Deputy Vogel along with other Deputies responded to the Webster Shell for an armed robbery that had just occurred. The suspect had fled the scene after reportedly threatening the clerk and making

motions as if he had a gun in his pocket. The suspect took the money from the register and a pack of cigarettes. Witnesses were able to provide a description of a suspect vehicle. The vehicle was located a short time later parked on Adams Street outside the Huber Jail. The suspect was located and arrested at the Huber Jail while attempting to visit his friend there. Items located in the vehicle connected the suspect to the robbery.
