President and Trustees of
The Village of Allouez
1900 Libal Street
Green Bay, WI 54301

Dear President and Trustees:

I have recently been informed that Donald Buzanowski, a defrocked priest, has moved to 1320 Hastings Street. He is a sexual predator who abused my grandson, and has also admitted to abusing at least 14 other children. For the abuse of my grandson, he was convicted and sentenced to a prison term of 31 years. Due to a technicality, he was released from prison after serving only 6 years.

I am 88 years old, and have raised my family and lived in my home for 53 years. It gives me great pain everyday to know that he is living just 7 doors down the street. I would appreciate any help you can give me to have him removed from this area.

Sincerely,

A handwritten signature in cursive script that reads "Marion F. Schauer".
