Re: Allouez Neighborhood Watch

Since discussion began on the Allouez Neighborhood watch I have attempted to do some advertising to attempt to identify current watch groups and promote new groups to form. I have done this on the Allouez Public Safety facebook page and in the Allouez Newsletter. So far I have received only one response. At this time I will be handing out flyers door to door. I will be attempting to get Allouez Cadets to assist in this task.
