Please check the Committee/Board/Commission you are interested in serving on. If more than one, rank in the order of preference.

- Board of Appeals
- Board of Ethics
- Board of Review
- Economic Development Committee
- Park, Recreation & Forestry Committee
- Public Works Committee
- Historic Preservation Committee
- Plan Commission

State any background information about yourself that you feel is appropriate and state your qualifications for serving on the committee/board/commission upon which you are desirous of serving.

I am a lifelong Allouez resident. I work in Business Development for Smet Construction Services in Green Bay. My job entails working with local businesses, realtors, architects and developers as local businesses grow. I also work with new companies who seek to move into the Green Bay area or other parts of the state. We develop plans for new construction as well as for adaptive reuse of existing buildings. Our services include site-work for properties to ensure proper planning that meet community standards and environmental concerns. We study the feasibility of CBRF through the generation of proformas and market studies for many communities. We also help to develop creative financing for growing businesses to maximize access to tax incentives and grants. My connections to local businesses, realtors and developers will provide a helpful professional prospective while my desire to keep the needs of Allouez foremost will always guide me.
