Re: Police Service Contract 2016-2018

The Village Board is asked to approve the 2016-2018 Police Service contract with Brown County Sheriff's Office. The services provided are the same as they are today; 24/7 patrol, 1 DEO Officer and patrol supervision, investigative personnel, and administrative support. I also want to point out that the cost do not include overtime and traffic team.

Summary of the contract cost:

2015	\$866,408.03
2016	\$845,377.54 (-2.43%)
2017	\$866,511.98 (+2.50%)
2018	\$890,341.05 (+2.75%)

An appropriate motion would be to approve the 2016 – 2018 Police Service contract with Brown County Sheriff's Department as submitted and to authorize the Administrator to sign the contract.
