

# Memo

To: Plan Commission

Fr: Trevor Fuller, Planning and Zoning Administrator

Re: DISCUSSION OF ANNUAL SITE TOUR

Date: July 23, 2014

Every year, the Plan Commission takes a tour of the village to get a closer look at past, present, and future planning projects in Allouez. The Plan Commission is able to identify parts of different projects that work well and parts that could use more attention or a change of strategy. Below is a list of sites the Plan Commission may want to consider for this year's trip.

- Webster Avenue and St. Joseph Street intersection
- Webster Avenue and Derby Lane intersection
- Former Brennan Buick Used Car Lot on St. Joseph Street and Riverside Drive
- New trail connection north of HWY 172
- Pump House on Greene Avenue
- Village View Apartments

Plan Commission is asked to consider holding an additional meeting for the site tour and what sites to schedule a visit for.
