Re: ACTION RE: 2015 PLAN COMMISSION ANNUAL REPORT

Date: 17 February 2016

The Plan Commission reviewed a draft of the 2015 Plan Commission Annual Report in January. The report includes a list of the major accomplishments by the Plan Commission for 2015, a proposed schedule of tasks for the commission to work on in 2016, different opportunities for the commission to increase their knowledge, as well as possible future tasks the commission might want to consider focusing on. Original suggested changes were noted in red.

At the January meeting, the Plan Commission gave staff direction to include NEWEYE projects and updating the official map to the list of proposed projects and initiatives for 2016. An email with these additions noted in blue was sent to the commission and will be shown on the projector at the meeting.

Plan Commission is asked to review the draft and approve publishing the 2015 plan Commission Annual Report.
