On Thursday, April 28, 2016, I, DEO Jason Vogel, reviewed the Noise Variance Permit Application completed by John Stiloski for the date of June 11<sup>th</sup>, 2016. John has the contact information for all the bands setting up along the route for the 40<sup>th</sup> Annual Bellin Run this year. These bands have been setting up and playing music for the runners along the 10K route for multiple years now and to my knowledge have not caused a problem. The bands/Dj's are applying to play from 8am-11am.

At this time I am requesting an approval for this Noise Variance Permit Application.
