On Thursday, April 28, 2016, I, DEO Jason Vogel, reviewed the Noise Variance Permit Application completed by the Allouez Optimist Club for the date of June 12th, 2016. The Allouez Optimist Club is having a community picnic, Allouez Fest, at Green Isle Park. Allouez Fest is an annual event. The club is applying for speakers amplifying music throughout the park during Allouez Fest. The speakers will be facing the interior of the park and the music will be played from 9am to 3pm. Nick Linz has provided his contact information and is listed as the contact person if there is an issue.

Police records during last year's event showed no complaints of noise. At this time I am requesting an approval for this Noise Variance Permit Application.
