Hi everyone

I just want to clarify that Miracle League and the Allouez Optimist Park PLAYGROUND is the benefactor from this event. It is being sponsored as a project of a UWGB class and which our Connie Rissling is the champion for the project. This is not the Miracle League's Field resurfacing fundraiser. If they raise the full goal of \$40,000, a rubber surface will be added to that part of the old playground that does not have the rubber at this time, making it totally accessible as a "Park for All". The Park Dept said that, at that time, also, they will be removing the oldest equipment, making way for some new handicap accessible type expansion. The address is the Village Hall address, but, of course, the event is at the field. It should be a great event!
