

# NATIONAL PUBLIC WORKS WEEK

## Public Works Always There

**May 15-21, 2016**

Every year National Public Works Week gets bigger and better. The number of participating municipalities continues to grow, which means the number of citizens who are exposed to the value of public works grows. At APWA one of our main goals is to educate the general public about the value and necessities of public works projects throughout North America, and public works professionals like you are our best ambassadors.

Since 1960, APWA has sponsored National Public Works Week. Across North America, our more than 29,000 members in the U.S. and Canada use this week to energize and educate the public on the importance of public works to their daily lives: planning, building, managing and operating at the heart of their local communities to improve everyday quality of life.
