## Department of Public Works

### BROWN COUNTY MUNICIPAL RECYCLING AGREEMENT AMENDMENT Amendment VII

Attached is the annual agreement amendment to be signed by the village president which amends the annual recycling agreement to include the 2017 Recycling Consolidation Grant.

This is an annual amendment which makes the village eligible for the WDNR Consolidation Grant—which is a grant in the amount of about \$5,000. The actual amount depends on the number of communities that apply and how much money is included in the annual state budget.

The actual base recycling agreement has been approved previously. This is only the annual amendment for the 2017 grant.

It is recommended that this amendment be approved by the village board and submitted to Brown County.
