

ACTION RE: AMENDMENT TO LISTING CONTRACT FOR TAX PARCELS AL-44, AL-44-1 AND AL-45 (1649 and 1677 S Webster Avenue)

Harris / Dart moved to approve amendment to listing contract with James M Wheeler for Tax Parcels AL-44, AL-44-1 and AL-45 (expires December 30, 2017). Motion carried.

DISCUSSION: URBAN WILDLIFE MANAGEMENT (from 06/04/17)

Clark

- Provided correspondence received by residents in the last 5 years, a report on the number of vehicle-deer crashes reported in Allouez compared to surrounding communities, current village code restrictions (feeding of deer / trapping or hunting) and what is allowed under 2013 Wisconsin Act 71 (hunting with bow and arrow or crossbow).

Discussion:

- Are there any products that can be used to deter them?
- Continue conversations with neighboring communities to put together an effective wildlife management system or deer program
- How is the reduction in distance requirement for bow and arrow or crossbow (from 100 yds to 50 yds of a building) working for Ashwaubenon

FUTURE AGENDA ITEMS

- In September add discussion on deer hunting and letting the general public know about Wisconsin Act 71 as well as information on what Ashwaubenon is doing
- July 18 add discussion on Kwik Trip's change of signage (from Kwik Trip Express to Tobacco Outlet and Grocery). New name doesn't seem to fit the healthy, bike, pedestrian and trail we are promoting. Is there anything we can or want to do?

ADJOURNMENT

Dart / Atwood moved to adjourn at 7:55 pm. Motion carried.

Minutes submitted by Debbie Baenen, Clerk-Treasurer
