# Every Second Counts: Plan 2 Ways Out!™

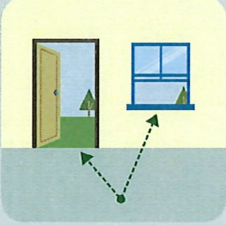

Fire Prevention Week | Oct. 8-14, 2017

How fast does fire move? Very fast. You could have less than 2 minutes to get out safely once the smoke alarm sounds.

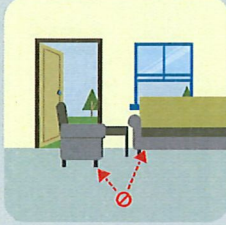

## 7 steps to practicing your escape plan

- 

1

Draw a map of your home. Include all doors and windows.
- 

2

Find two ways out of every room.
- 

3

Make sure doors and windows are not blocked.
- 

4

Choose an outside meeting place in front of your home.
- 

5

Push the test button to sound the smoke alarm.
- 

6

Practice your drill with everyone in the home.
- 

7

Get outside to your meeting place.
