

Allouez Village Hall • 1900 Libal Street • Green Bay, WI 54301-2453 • (920) 448-2800 • Fax (920) 448-2850
www.villageofallouez.com

The Allouez Public Works Department will begin its fall curbside collection of loose leaves and garden waste on Monday, October 16, 2017. This material can NOT be placed to the curb prior to Monday, October 9, 2017. **Loose leaves and yard waste placed to the curb before October 9, 2017, is subject to collection fees.**

During the week of October 9th, brush will be picked up in the Village.

Loose leaves and garden waste material should be placed on the terrace (**not in the street**) and **should NOT be mixed with brush**. Bagged material or mixed material will not be picked up. Please pile loose leaves in an open area of terrace away from trees, posts, and mailboxes to assist in ease of collection.

Weather permitting, collection will continue for five (5) weeks and end on Thursday, November 16, 2017. All leaves and yard waste left for collection must be out to the curb no later than Sunday, November 12. After November 16, residents must dispose of their own yard waste.

Residents are reminded that raking leaves into the street increases pollution of storm water and may cause flooding by blocking drainage structures. Most importantly, piles of leaves in the street are a dangerous attraction to young children. It is not possible to accurately tell residents the exact day their yard waste will be picked up, but once collection begins, you may contact the Village of Allouez at (920) 448-2800 between 7:30 a.m. and 4:00 p.m., Monday through Friday, to find out what area the crew is working in and how they are progressing. Information is also available on the Village's website at www.villageofallouez.com. The Village yard waste site is located at the block of 911 LeBrun Street near the East River. The site will remain open per schedule through December 9th, 2017 weather permitting.

LEBRUN YARD WASTE SITE INFORMATION

Located on LeBrun Street near East River Drive. For Allouez residents only. Grass clippings, leaves, brush and other garden waste accepted. There is also a waste oil, electronics and appliance drop off site.
