Dear Village Board Members:

First, I would like to thank you for the acceptance of my proposal to acquire a liquor license for what I thought would be my new Allouez store. Unfortunately the Owner (Al Morin) has changed his mind and opted to sell his store to a different party. I am just requesting a refund of \$489.04 for the prorated liquor, beer and cigarette license that I paid for but did not get the opportunity to use.

Thank you.

Sincerely yours,

Tom Matuszak – owner and operator of Pit Row Inc. / Webster Shell.

On September 19<sup>th</sup>, the Village Board approved a Class A beer and liquor license for Pit Row Inc at 2203 S. Webster Avenue contingent upon Trailside Convenience Mart Inc surrendering the current license issued for that location.

Since the circumstances have changed (Trailside Convenience Mart Inc sold to another party), the license can not be issued to Pit Row Inc and as Tom Matuszak paid the license fees (alcohol and cigarette) in advance of issuance and now can no longer use it, I would recommend a refund be issued in the amount of \$489.04.
