

**Nancy Bennaton has been an adult crossing guard since the fall of 2011. Her station has always been at the busy intersection of Allouez and Libal, one of the roundabout intersections in the Village.**

**In all types of weather, enduring split shifts and inattentive drivers, she has done her job, ensuring the safety of the children going to and from school each day.**

**She has touched the lives of many. In her own words “even a simple smile can make a profound difference, attitude is the paintbrush that colors our world”**

**We ask the Board to recognize her years of service to the Community of Allouez.**
