Fr: Trevor Fuller, Planning and Zoning Administrator

Re: DISCUSSION/ACTION RE: GREEN BAY AREA SCHOOL DISTRICT – WEBSTER ELEMENTARY  
AND PHM WEBSTER PARK PROPOSAL

Date: 18 January 2018

Webster Elementary School, a part of Green Bay Area Public School District (GBAPSD), is planning a 2400SF addition to the rear of school (east side). The proposed addition will include two new classrooms, a stage attached to the existing assembly space, and an additional storage space.

The proposed addition will need to slightly encroach onto PHM Webster Park (Village of Allouez) property. The school district has offered a few different scenarios, including a land swap of GBAPSD property for a portion of village property.

Maps and site plans of the proposed project and requested land swap will be provided at the meeting for reference and discussion.

Plan Commission is asked to provide input and/or a recommendation to the Village Board on the project. More information will be brought forward as the project develops and further action by the Plan Commission will be requested if required.
