## Chapter 432. Waste Management

### Article I. Solid Waste

#### § 432-3. Storage of waste between collections.

- A. Owner-occupant storage responsibility. The patron and/or occupant of a premises shall be responsible for the proper and sanitary storage of all collectible waste accumulated at the premises until collection. The owner and/or occupant shall be responsible for the proper sanitary storage of all other waste material and for its disposal according to law.
- B. Storage/location of collectible waste. No owner or occupant of any building shall place or store any refuse cart or any paper recycling cart or any commingled recycling cart in front of any building, or on any corner lot along the side of a building facing the abutting street, except when done for lawful collection in compliance with this article. When between collections refuse carts or recycling carts shall be placed in an area screened or otherwise obstructed from public view as best as reasonably possible considering the features of the property.
