COVID-19 Temporary Outdoor Patio Permit

Purpose

The Village Board has authorized village staff to assist restaurant and bar businesses to obtain necessary approvals to temporarily expand their outdoor patio areas. These areas may be needed to assist businesses to practice proper social distancing requirements as the local economy attempts to safely reopen and successfully recover from the COVID-19 health emergency. This application is for temporary outdoor patio use only. If the patio area is desired for permanent or long-term use the established municipal code standards and processes will need to be applied for. Contact Kevin Wieland, Building Inspector, 920-448-2803 or KevinW@villageofallouez.com for further details and guidance on those alternatives.

Temporary Use Permit Review Process/Procedure

Completed applications and submittals should be directed to Kevin Wieland, Building Inspector, 920-448-2803 or KevinW@villageofallouez.com.

If all necessary information is provided at the time of application, the goal will be to process the applications in 2 to 3 business days. Multiple departments will need to review the application. Please allow village staff enough time to review the application. Applications may be denied or put on hold if all required information is not submitted in detail. Staff will inform the applicant/owner in writing of the approval, conditional approval, or denial of the permit request.

Each application will need the following to be processed and reviewed:

- 1) A Completed Application (See page 2)
- 2) A detailed site plan illustrating where the outdoor seating area will be located, number of tables, seats, etc. Additionally, it will need to demonstrate where surrounding property lines, street right-of-way, parking lot, and driveways are located (see pages 4 & 5 for guidelines and an example site plan)
- 3) Additional pictures, attachments and/or renderings that will help staff best understand the proposal in greater detail.
- 4) Acknowledgement that this is a **temporary approval** for March 15th – October 31st of the calendar year that the application is submitted.
- 5) Acknowledgement that if the temporary seating area does not comply with the required standards, the permit may be revoked.
- 6) Acknowledgement that the allowable hours of operation will be until 10:00p.m. Sunday-Saturday.
- 7) Acknowledgement that no temporary outdoor bathroom facilities such as a portable toilet will be allowed in temporary designated area.
- 8) Acknowledgment that temporary fencing material will need to be of a sturdy, rigid material and approved by the Building Inspector.
- 9) Acknowledgment that any temporary umbrellas or tents are secured properly and approved by the Building Inspector.
- 10) Acknowledgment that if you have a liquor license and plan to serve alcohol on the patio area, you will need to amend the premise description. The amended premise description will need to be approved by the Village Board.

Application Guidelines

The applicant is expected to consider the below additional criteria.

- If a permit is obtained, the Clerk's office will issue an updated liquor license which will include the updated premise description for the temporary outdoor patio expiring on October 31, 2021.
- Your site plan will need to identify boundaries the liquor license would cover.
- Signage will need to be in place indicated beer/liquor needs to be kept within assigned space.
- Cannot set up temporary bar, permit would just allow seating for patrons.
- Servers will need to monitor underage consumption.
- You will need to establish a physical boundary or barrier around the area and identify entrances.
- Proposed tents and fences will be reviewed by Building Inspector to ensure building code compliance.
- Identify who/which employees will be monitoring the outdoor and indoor areas.
- No noise amplification approved above village requirements.
- Identify if you are removing on-site parking for the seating area and if you will be providing alternative parking or shuttle service.
- Occupant load/current indoor max occupancy of the business cannot be exceeded.
- Temporary fencing cannot block a fire hydrant nor a Fire Department Connection to a building.
- Egress paths to the building and/or exit paths out of fenced area shall be defined on the site plan.
- Specific table & seating arrangement.
- Current restrooms as well as handicap accessible parking shall be maintained.
- All outstanding fire code violations shall be cleared before permit is issued.
- No smoking signage shall be posted.
- Any temporary wiring shall first be approved by the Electrical Building Inspector.
- Proposed tents and fences will be reviewed by Building Inspector to ensure building code compliance.
- Contact Brown County Health Department for requirements.
- Your site plan will need to provide setbacks from surrounding properties (5' minimum setback on all sides, unless abutting a residential district, then 25').
- Trash receptacles shall be provided, and all waste shall be appropriately collected and removed.
- Any use of patio heaters must meet setback distances of the fire code. (5 feet from exit path).
- All exiting gates must meet the proper width and exiting hardware for the size and type of occupancy it is serving.
- Any use of an open flame fireplaces must be plan submitted and approved by the AHJ prior to installation and use.
