Noise Variance Permit Application Request Riviera Bar and Grill:

On May 12th, 2021, I, Deputy J. Vogel, spoke with Riviera Bar and Grill owner Mari O'Brien in person at 2150 Riverside Dr. Mari has recently completed a Noise Variance Permit Application for small music events on their patio on the days from Thursday to Sunday during the summer and fall of 2021. These music events on their outside deck would be from the hours of 3pm to 10pm. The noise generating equipment that will be used are speakers for the music.

Mari reports she has completed this application in the past but has not had an opportunity to have live music on their patio. Mari reports she has no music booked at this time but would like to pursue this in the very near future. Mari states they will point the speakers towards the Fox River and will be on hand with her cell phone as a contact if police have an issue.

There are no residential buildings neighboring this property as the Mariner Motel is currently empty. A search of this property shows no recent noise complaints. At this time I am recommending approval of this application.
