Dear Chris:

I just wanted to give you a heads up that our family is in the process of making a big move out of state. We knew it was coming, and it is happening more quickly than I originally thought. We will likely move by Thanksgiving. Our home is for sale and once we find a new home to purchase, we'll move. With all of that in mind, I'm sorry to have to resign from the Park and Rec Committee. If I would have known this spring, I wouldn't have rejoined. I'm sorry for any inconvenience. Please know my commitment to Allouez and the mission of this group is still strong.

Thank you for understanding and for the opportunity to serve our community.
