IMPORTANT CONSTRUCTION NOTICE

Construction to bring **TDS Fiber** Internet service to your neighborhood will begin soon.

Please be advised that:

A contractor will be in your area marking existing underground utilities with flags or spray paint. This helps prevent damage to those facilities and adds a layer of safety for workers and residents.

If you need further assistance or additional information, please call the construction hotline at **1-855-259-8576** or visit **TDSFIBER.COM/construction**. TDS appreciates your assistance and patience during our network expansion to your neighborhood.
