Noise Variance Permit Application Request:

On July 6th, 2022, I, Deputy J. Vogel, spoke with applicant Kalee Truttmann via a telephone call in reference to her Noise Variance Permit Application that she has completed with the Village of Allouez. Kalee had completed this form for a wedding she will be hosting on August 6th, 2022, at her address of 2910 Grand Rue. Kalee reports she is expecting approx. 60-100 people at this event. Kalee's request is for amplified music speakers for the wedding reception located in the backyard. Kalee reports she will only have small Bluetooth type speakers playing music with no DJ or band. Kalee was requesting the time of 4pm to 10pm for this amplified music to be playing.

I spoke with Kalee about pointing the speakers west towards Ascension Church and not at the neighboring houses. Kalee agreed and stated she is in contact with Ascension Church about using 5-10 parking spots for attendees. Kalee reports most neighbors have been invited to the wedding but the ones who haven't will be getting a flyer on the upcoming event.

I explained to Kalee that seeing she is the bride to be, the Brown County Sheriff's Office typically likes to contact another family member and not the bride in case of an issue on that day. Kalee agreed and provided her mother Debbie Truttmann (920)360-2924 and brother James Dufek (920)445-3126 as other contacts. Debbie and James were added to the form.

Currently, I am recommending approval of this application.

Respectfully,

Deputy Jason Vogel
