Applicant's Signature: Ann Froelich Date: Aug. 16, 2022

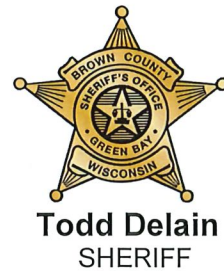

*** All additional police service expenditures will be billed to applicant ***

§ 302-5 : The use of sound amplifiers outside buildings within the Village of Allouez is prohibited without a permit to do so from the Village. The Village shall not grant a permit to use a sound amplifier during nighttime hours (10:00 p.m. to 7:00 a.m.) or to operate such sound amplifier in the vicinity of health facilities, churches while services are being conducted, or schools which are in session. The Village may order a reduction in the volume of such sound amplification on complaint being made by a citizen or when such sound amplification is a nuisance because of the volume, the method in which it is being used, or the location in which it is being operated.

Noise Variance Permit Application Request St. Matthews Church:

On August 17th, 2022, I, Deputy J. Vogel, spoke with Ann Froelich from St. Matthews Parish, located at 130 St. Matthews St., about their 100th Anniversary Parish celebration on Sept. 25th, from the hours of 10:30am to 3:00pm. Ann has recently completed a Noise Variance Permit Application for said Parish event which will be held in their parking lot. It should be noted Ann listed their Spaghetti Dinner on Sept 24th. Ann stated this event will all be held indoors. I explained to Ann no application approval would be needed for the dinner.

Ann states the music speakers will be pointed away from houses and towards the church buildings on Sept. 25th. Ann states the music will start after church ceremonies at 10:30am and stop at 3:00pm. Ann states she will be attending and have her cell phone on her during the event in case the village or Brown County Sheriff's Office needs to get in touch with her for any concerns. Ann is expecting approx. 250 people to attend.

Currently, I am recommending approval of this application.

Respectfully,

Deputy Jason Vogel
Allouez Directed Enforcement Officer
Brown County Sheriff's Office
