

Memo

To: Village Board

From: Chris Clark, Director of Parks, Recreation, & Forestry

Re: Authorization to Purchase Gazebo for Optimist Park

Date: February 7, 2023

Background Information:

The Miracle League of Green Bay has secured donation funding from the Richard J Resch Foundation for the purchase and installation of a gazebo in Optimist Park. This funding is a reimbursement not to exceed \$75,000. Donor signage will be included with the project. This project was authorized in the 2023 Parks Capital Improvement budget.

The gazebo that we are requesting authorization to purchase is a Poligon Grand Haven steel structure that will be purchased through the Sourcewell Awarded Contract program. The program allows for discounted pricing by piggy backing on previously bid contracts.

The gazebo will be located on the south side of the park on the hill overlooking the active portion of the park. This will be a passive picnic shelter with no utilities. Anticipated completion of the project will be late summer or early fall of 2023.

Previous Information/Action:

- The Parks, Recreation, and Forestry Committee recommended authorization to proceed with the purchase of the gazebo at the January 31, 2023 meeting.
- This was also an authorized project in the 2023 Parks Capital Improvement budget. In addition, the installation of a gazebo at Optimist Park was included within the Village of Allouez Comprehensive Outdoor Recreation Plan.

Budget Item/Funding:

The overall project is estimated at \$72,800 with the gazebo portion quoted at \$48,906. The remainder of the funds will be utilized for concrete work, decorative brick work around the posts, and donor signage. The funding will come out of the Parks Capital Improvement Fund and be reimbursed upon conclusion of the project.

Staff Request/Recommendation:

Staff is requesting authorization to proceed with the purchase of the Poligon gazebo as quoted.

Grand Haven Gabled Hexagon [GHX]

Poligon's Grand Haven Gabled Hexagons (GHX) are six sided shelters with a hip and gable roof, a cupola, optional gable ring ornamentation, and a 10:12 overall pitch with a 12:12 gable pitch.

*Shown with optional round columns and optional ornamentation

Primary Roof Options:

- Tongue-and-Groove
- Structural Insulated Panels
- Multi-Rib
- Standing Seam*

* 'Standing Seam Only' roof requires a custom frame.

Secondary Roofing Options:

- Multi-Rib
- Standing Seam
- Asphalt Shingles
- Cedar Shingles (Hand Split or Milled)

Shelter Modifications:

Shelter can be modified by adding handrails, round columns, custom ornamentation, integrated benches, lightning protection, electrical cut-outs, or by an increase in UPB (Under Perimeter Beam) up to 10'.

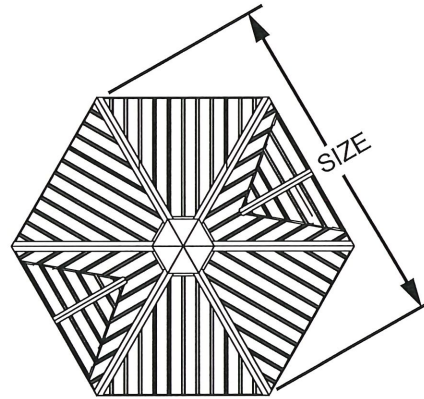

Shelter Customizations:

Shelter can be customized by adding windscreens, walls, tile roof, special columns, an increase in UPB over 10', or by requesting a 'Standing Seam Only' roof. For structures with a standard UPB of 8'-0", addition of ornamentation increases UPB to 8'-10".

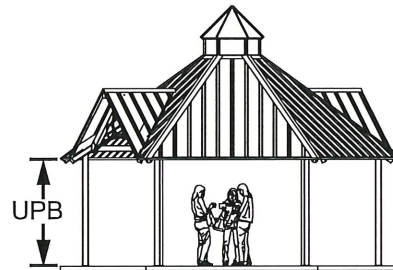

Size	24'	28'	32'
UPB (Under Perimeter Beam)	8'	8'	8'
# of Columns	6	6	6
Shaded Area (sq. ft.)	374	509	665
Center of Columns	9'-8"	11'-8"	13'-6"
# Picnic Tables	5	7	8

*See back side for line drawings and color information
