Re: ACTION RE: RECONSIDERATION OF MOTION FROM JANUARY 25, 2023 REGARDING THE NAME CHANGE OF THE HISTORIC PRESERVATION COMMITTEE TO THE HISTORIC LANDMARKS COMMISSION

Date: 17 February 2023

The Historic Preservation Committee moved to recommend changing the name of the appointed body from “Historic Preservation Committee” to “Historic Landmarks Commission” at the January 25, 2023 meeting. A request from a resident was made to reconsider the motion. A member of the body requested to have the reconsideration motion on the agenda.

**The Historic Preservation Committee is asked whether or not to reconsider the motion from January 25, 2023.** A motion for reconsideration must be made by member that voted in favor of the change at the last meeting. A reconsideration motion does not necessarily mean the motion will change, only that the motion will be reintroduced.
