

Name: Jim Genrich

Address: 2596 Du Charme Lane

Years in the Village: 29 years

Political Experience:

- Currently serving on the Village Board
- Current member Public Works and Historic Preservation Committees
- Past member and chair, Allouez Plan Commission

Education: MS-University of Wisconsin-Milwaukee
BS-University of Wisconsin-Green Bay

Current Occupation: Guest Services- Green Bay Packers

Reason for running:

- I've enjoyed my tenure on the Board and would like to continue serving our residents as a vehicle of communication with local government.
- My qualities listed below provide me with the tools, skills and knowledge to serve effectively.

Unique Qualities that makes you a top candidate:

- Excellent communication skills
- Team and consensus builder
- Approachable
- Responsive to resident issues, cares and concerns'
- Good sense of humor

3 top issues/concerns regarding the village and proposed resolution:

- **Infrastructure investment** – creatively addressing the challenges of improving our roads, effectively managing our relationship with NEW WATER and improving our storm and waste water treatment systems.
- **Shared revenue** - increasing the Village's portion of shared revenue with the State of Wisconsin to create some relief from our overdependence on local property owners as our main source of revenue
- **Transportation** – continuing our efforts to assess and improve our overall transportation system including our commitment to making Allouez bike and pedestrian friendly. The Fox River Trail continues to be heavily used by Allouez residents and also draws visitors to our community. Our ongoing utilization of the Safe Routes to Schools Program helps us dramatically address pedestrian safety issues. Our Capital Improvement Plan gives us a plan and template to continually improve our streets.
