Noise Variance Permit Application Request Doug's Take5 Summer Concert:

On May 9<sup>th</sup>, 2023, I, Deputy J. Vogel, spoke in person with Doug's Take5 owner James Meikle, located at 3600 Riverside Dr. James has recently completed a Noise Variance Permit Application for a benefit summer concert to be held on June 10<sup>th</sup>, 2023, from the hours of 7pm to 10pm. This is an annual benefit with proceeds going towards Howe Elementary School reading program and various YMCA programs.

To my knowledge this annual event has caused no incidents reported to the police. James reports he is hiring security to monitor the event. As past years James will be blocking off the entrance from Riverside Dr to avoid congestion on this busy roadway. James states the music speakers will be pointed away from the apartment complexes next door. James assures me the music will stop at 10:00pm. James will have his cell phone on him at all times in case the village or Brown County Sheriff's Office needs to get in touch with him. James is expecting 400 people to attend.

At this time I am recommending approval of this application.

Deputy Jason Vogel  
Allouez Directed Enforcement Officer
