

**Rationale: Request for No Parking Zone/Drop Off and Pick Up only on Longview Court.**

Doty has a limited area for safe drop off and pick up. We have messaged our families numerous times that this is not a parking zone but a drop off and pick up area. ( School side)

We have some students running across in front of traffic since there are no sidewalks around the road. We have seen some families express their frustration at the lack of movement and also , with the lack of signage, others express their frustration at staff directing them to leave after drop off and pick up. We feel the signage would help give credence to our requests. These expressions of frustration have not always been appropriate and set up staff for a negative interaction.

We would like to furnish and install 3 signs on the east side of Longview Court that would read:
