If any invoice is not paid within 30 days, Consultant may, after giving 7 days' notice, without waiving any claim or right against Owner, and without liability whatsoever to Owner, suspend or terminate the performance of services. Accounts unpaid 30 days after the invoice date will be subject to a monthly service charge of 1.5% on the unpaid balance, or the maximum rate of interest permitted by law, if less. Payment will be credited first to any interest owed to Consultant, then to principal. The amount of any excise, value-added, gross receipts, or sales taxes that may be imposed on payments shall be added to the Consultant's compensation. Owner shall pay all costs of collection, including reasonable attorney's fees and costs incurred by consultant, in collecting any amounts due from Owner. However, Owner agrees to indemnify and defend Consultant in the event of damage or injury arising from damage to or interference with subsurface structures or utilities which result from inaccuracies in information or instructions which have been furnished to Consultant by others.

**5. Hazardous Materials:** In the event that unanticipated potentially hazardous materials are encountered during the course of the project, Owner agrees to negotiate a revision to the scope of services, time schedule, fee, and contract terms and conditions. If a mutually satisfactory agreement cannot be reached between both parties, the contract shall be terminated and Owner agrees to pay Consultant for all services rendered, including reasonable termination expenses. Owner acknowledges that Consultant is performing professional services for Owner and that Consultant is not and will not be required to become an "owner", "arranger", "operator", "generator" or "transporter" of hazardous substances, as defined in the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), as amended, which are or may be encountered at or near the site in connection with Consultant's activities under this agreement.

The contractor shall continue to be responsible for the accuracy and adequacy of all construction performed. In accordance with generally accepted practice, the contractor will be solely responsible for the methods of construction, direction of personnel, control of machinery, and falsework, scaffolding, and other temporary construction aids. Electronic files furnished by either party shall be subject to an acceptance period of 60 days during which the receiving party agrees to perform appropriate acceptance tests. The party furnishing the electronic file shall correct any discrepancies or errors detected and reported within the acceptance period. After the acceptance period, the electronic files shall be deemed to be accepted and neither party shall have any obligation to correct errors or maintain electronic files. Owner is aware that differences may exist between the electronic files delivered and the printed hard-copy documents. In the event of a conflict between the hard-copy documents prepared by Consultant and electronic files, the hard-copy documents shall govern.

Assignment of Rights:** Neither Owner nor Consultant shall assign, sublet or transfer any rights under or interest in this contract (including, but without limitation, moneys that may become due or moneys that are due) without the written consent of the other, except to the extent mandated or restricted by law. Unless specifically stated to the contrary in any written consent to an assignment, no assignment will release or discharge the assignor from any duty or responsibility under this contract. Nothing contained in this paragraph shall prevent Consultant from employing such independent subconsultants as Consultant may deem appropriate to assist in the performance of services hereunder.

**18. Third Party Benefits:** This contract does not create any benefits for any third party.

**21. Betterment:** If, due to Consultant's negligence, a required item or component of the project is omitted from the construction documents, Consultant's liability shall be limited to the reasonable cost of correction of the construction, less what Owner's cost of including the omitted item or component in the original construction would have been had the item or component not been omitted. It is intended by this provision that Consultant will not be responsible for any cost or expense that provides betterment, upgrade, or enhancement of the project.

**22. Severability:** To the extent that any provision of this contract is finally adjudged invalid by a court of competent jurisdiction, that provisions shall be deleted or modified, as necessary, to make it enforceable, and the remaining provisions of this contract shall remain in full force and effect and be binding upon the parties hereto.

**23. Entire Agreement:** This agreement contains the parties entire understanding and supersedes all prior negotiations or agreements over the services described herein. This contract may only be amended, supplemented, modified, or canceled by a duly executed written instrument.

**24. Notice of Lien Rights:** Ayres Associates Inc hereby notifies owner that persons or companies furnishing labor or materials, including engineering, architectural, and surveying services, for the improvement of or construction on owner's land may have lien rights on owner's land and buildings if not paid.
