Phone No.: (920) 448-2800 ◦ Fax No.: (920) 448-2850

Department of Public Works

NOTICE TO RESIDENT

March 10, 2016

The Village of Allouez 2016 Street Repair Project will include the following streets:

Miramar Drive from Du Charme Ln to Riverside Dr
Hawthorne Place from Allouez Ave to Meadow Ln
Chantilly Rue from Bordeaux Rue to Grande Rue
East River Drive from Hoffman Rd to East Briar Ln
****East Briar Lane** from Libal St to the 700 Block of Briar Ln
Length of street but ½ width
Alternate (If funds are available after bid opening):

A street repair project involves the replacement of the asphalt surface of the roadway as well as the replacement of damaged sections of curb & gutter and driveway aprons. A painted "X" on the curb and/or driveway apron in front of your home indicates that it is scheduled to be replaced. This work is not assessed to you, the property owner, as it is part of our annual road maintenance program.

Property owners with these markings in front of their homes that have any type of landscaping, shrubs, sprinklers systems, dog fences or other decorative items within the street Right-Of-Way (R.O.W.) should remove these items before the project begins. The estimated start time for the project is mid-June but may be adjusted as circumstances change. Village R.O.W. on most streets is typically 8-10 feet behind the curb. Property owners are responsible for the removal of these items and are to replace them at their own expense if desired.

The general contractor for the repair project is Northeast Asphalt, Inc. They will be responsible for the removal and replacement of the asphalt in the streets mentioned above and miscellaneous asphalt patching throughout the Village. Jim Fischer, Inc from Appleton will be working on the curb & gutter replacement and miscellaneous concrete repairs. Willems Landscaping will be responsible for lawn restoration.

During the construction process the Village of Allouez requests that you be patient with our contractors. They will do they best to allow you access to your destination but at times it just won't be possible. If you have any questions or comments I encourage you to contact me in person, by email or by phone. My contact information is listed below.

Thank you,

Jeff Piette
