Re: Relocation of Brookridge Street Curbside Mailboxes

The Public Works Committee discussed the possibility of relocating the mailboxes from the north side of Brookridge Street to the south side upon completion of the new sidewalk. A letter was sent to the residents along Brookridge Street inviting their input. Several of the residents attended the Public Works Committee meeting and expressed their concerns about relocating the mailboxes.

The committee voted to recommend to the Village Board that the mailboxes be placed back on the north side of Brookridge Street and directed staff to check with the postal service to see if the mailboxes could be placed on the home or behind the sidewalk.
